* The electricity supply is not included in the price.

- In the price are included: water and electricity supply (not supplementary), toilettes, an open car parking place, the entry to the swimming-pool of the Sporting Club. At guest's request: the assistance to the mooring, the courtesy car service for the transport of the guests and the baggages.
- The boat can not have dimensions, (the fenders and pertinences included), both in length and width, superior to those pointed for the relative mooring category and however such to involve the obstruction of surplus spaces to those fixed for the berth.
- The price of mooring is flat rate and includes possible periods of absence of the boat for cruise or laying-up.
- The payment must be done in advance.
- The permanence of the boat in the mooring place after the ending term of the contract will involve, for every day of occupation, the application of the highest daily rate for the scheduled period.
